DEEWR Question No.EW0986_10

Senator Cormann asked on 11/02/2010, Hansard page 14.

Question

TRADE TRAINING CENTRE

Senator CORMANN—But how did you get hold of all the other information when you cannot get the most salient information? Given that this is set up as a trade training centre in a school, which was one of the flagship pre-election commitments, as a replacement and successor to the Australian technical collages, how are you not able to tell me how many students are actually taking advantage of that one trade training centre in all of Australia on a full-time basis?

Ms Paul—It has probably only recently opened. Would you like us to take it on notice and get a figure earlier for you?

Senator CORMANN—Would you be able to get that perhaps today?

Ms Paul—I am sure we can just contact the school and see what the story is. Senator

CORMANN—I would have thought that that is a very—

Ms Paul—If we get it today, that is great. We will try our best.

Answer

Aviation High Aeroskills and Aeronautics Trade Training Centre caters for 380 students, with 222 students currently enrolled in the following courses as a component of their overall course of study:

Coursesdelivered at TTC	No of Students
