Question

BER - PROJECTS

Ms Wall—Across the total Building the Education Revolution, 23,053 projects have started. That is 96 per cent.

Senator BILYK—Can you break that down by state for me?

Ms Wall—By state? Just one moment.

Ms Wall-I do not have figures broken down by state with me. I could take that on notice.

Senator BILYK-If you could take that on notice, that would be good. Can you tell me- and you might need to take this on notice as well - the breakdown between government and non-government?

Ms Wall-I would have to take that on notice.
