DEEWR Question No. EW0905_13

Senator Abetz asked on 13 February 2013, Hansard page 54

Question

Outstanding occupational health and safety issues at ABC

Senator ABETZ: I understand the ABC has some outstanding occupational health and safety issues with Comcare. Is that correct? Mr O'Connor: I am not quite sure what you mean by 'outstanding'. They have a major program of work, led by their managing director, with a focus on improving workplace safety or reducing workplace harm across the ABC. It is a three-year program and a major investment that they are undertaking.

Senator ABETZ: So no improvement notices? Take it on notice.

Answer

Comcare has provided the following response.

There is no Improvement Notice open for the ABC.
