Question

Definition of quotes from article

Senator ABETZ: No, the term 'groupies' is yours. I would like you to identify who you see as groupies..... Mr Johns: I had to look it up. As I say, the remarks there in inverted commas are quotes from commentators during its time. What I would need to do is to go back and find out which of those commentators those particular quotes came from. I am happy to provide you with a list of those commentators who made those particular comments.

Answer
