Question

Childcare - Analysis of data & collection

Senator NASH: In terms of collating all of that data and having it published, how many people does it take to pull all of that together? Ms Taylor: We might take that on notice as to the exact number. We have a small team of people who do some excellent work in analysis of that data and collection. We have, of course, the IT collection systems.

Answer

The *Child Care Update* is part of work undertaken by a small team of three staff.
