Department of Employment Question No. EM0129_14

Senator Lines asked on 27 February 2014, Hansard page 8

Question

Migrant community grants

Senator LINES: In relation to the migrant community grants—I think I have this right but I am happy to be corrected—were those grants around workforce participation—explaining rights and responsibilities to migrant communities?

Ms Leon: The aim was to provide funding to migrant and other community organisations to develop and implement projects that would assist migrant and refugee jobseekers to find and retain work.

Senator LINES: Was a booklet produced under the grant program that set out rights and responsibilities?

Ms Leon: There may have been. I do not know but I can take that on notice for you.

Answer

No booklet setting out rights and responsibilities was produced as part of the Migrant Community Employment Fund.
