**Stationery Requirements**

How much was spent on departmental stationery requirements from the Supplementary Budget Estimates in November 2013 to date.

**Answer**

The total spent by the Department of Employment from 1 November 2013 to 28 February 2014 on stationery was \$40 183.66.

During this period Corporate and the State Office Network provide services to both the Department of Employment and the Department of Education. The cost of stationery associated with these functions has been attributed to both departments.
