Department of Employment Question No. EM0240_14

Senator Ludwig provided in writing.

Question

Provision of equipment - departmental

Other than desktop computers, list all electronic equipment provided to department/agency staff.

- a. List the items
- b. List the purchase cost
- c. List the ongoing cost
- d. List the staff and staff classification that receive the equipment.

Answer

Following the abolition of the Department of Education, Employment and Workplace Relations (DEEWR) the division of assets, including electronic equipment, between the Department of Employment and the Departments of Education, Social Services and Prime Minister and Cabinet, is still being finalised.

The Department of Employment provides necessary electronic equipment to its staff to perform their role, including access to shared printers and shredders, and, if needed, mobile communication and audio visual recording equipment.
