In relation to education/executive coaching and/or other leadership training services paid for by the department what agreements are made with employees in regards to continuing employment after training has been completed? 7. For graduate or post graduate study, please breakdown each approved study leave by staffing allocation and degree or program title.

Answer

Decisions and budgets for executive coaching, leadership training and study leave are largely devolved to line areas in the department and manually collating agency expenditure on these items would involve an unreasonable diversion of departmental resources. The exceptions to this are a small number of corporate leadership programs where attendees are selected from across the department and funded corporately. There has been no expenditure on these items since Supplementary Budget Estimates in November 2013 to 28 February 2014.
