**SENATE LEGISLATION COMMITTEE - QUESTIONS ON NOTICE  
2003-2004 BUDGET ESTIMATES HEARING**

**AGENCY:** Australian Nuclear Science and Technology Organisation

**DEST Question No. E288\_04**

Senator Carr asked on 4 June 2003, EWRE Hansard page 295

**Question:**

On five separate occasions there have now been incidents regarding the welding. Is that right?

**Answer:**

ANSTO has provided the following response.

*Incidents involving welding*

No. There have been no incidents involving welding.

With regard to the incorrectly located penetration holes in the tank, some welding work will be involved in the correction of that error and this work will be done in compliance with ARPANSA conditions.
