Question Number: **W042-04**

Question:

Senator Wong asked at *Hansard* page 222:

Under the tender specifications for the relocation of premises in Melbourne, is there a specific reference to the requirements of the President's Chambers?

Answer:

The Request for Tender documentation does not specifically identify any requirements for the President's chambers. It refers to the President as one of the Presidential members for whom a total spatial requirement is listed.
