COMCARE

QUESTIONS ON NOTICE

Outcome: Comcare

Question Number: W046-04

Question:

Senator Carr asked in writing:

Did Comcare inform the National Gallery, in writing or verbally, that the version of the Wray Report provided to the NGA on Monday 26 May was the final report?

Answer:

Comcare wrote to NGA conveying a copy of the investigation report prepared by Mr Wray. The letter and the report were hand delivered to the NGA and the NGA was advised that it was a final report, but for any typographical errors that might be identified or problems with attachments and the like. The NGA did subsequently identify some issues and these were referred to the investigator for consideration. Copies of correspondence by email are enclosed for the Committee's information.
