**SENATE LEGISLATION COMMITTEE – QUESTIONS ON NOTICE
2004-2005 BUDGET ESTIMATES HEARING**

Outcome: CSIRO
Output Group: - CSIRO

DEST Question No. E210_05

Senator Carr asked on 2 June 2004, EWRE Hansard page 68-69.

Question:

Senator Carr: You mentioned to us in E763 Staunton Consulting Ltd. I am wondering whether there has been an error because ASIC does not have any record of a company registered by that name. Are you sure it is a limited company?

Dr Sandland: No.

Mr Whelan: Those details would have been taken off our creditor listing. We can check the accuracy of those details.

Answer:

CSIRO has provided the following response.

Staunton Consulting Ltd

Unfortunately, there was an error on CSIRO's part in communicating the arrangements concerning the establishment of this consultancy. We can confirm that Staunton Consulting is a registered business name and not a limited company.

Ms Staunton is the principle of Staunton Consulting.
