Question:

Senator Webber asked at *Hansard* pages 53-54:

Please provide the Committee with the employment outcomes - full-time, part-time as well as casual jobs - for each year that the Transition to Work programme has been in operation? Are these clients on income support?

Answer:

The table below provides a breakdown of outcomes for job seekers by full-time, part-time and casual for 2002-03 and 2003-04 (to 31 March 2004).

	<i>2002-03</i>	<i>2003-04 (to 31 March 2004)</i>
	Total Outcomes	Total Outcomes
Full-Time Job	379	306
Part-Time job	1412	1561
*Casual Job	1155	1265

*The proportion of full time and part time jobs identified as being either: casual; temporary; or seasonal.

Income support status does not determine eligibility for Transition to Work (TTW) and is not routinely collected for all participants.
