**Question Number: W043-05**

**Question:**

Senator Webber asked at *Hansard* page 54:

Please provide the source of Transition to Work recipients – are there people referred to Transition to Work by FaCS through the JET program? Is there a relationship?

**Answer:**

Participants in Transition to Work may be sourced from employment service providers, Centrelink or may approach the TTW provider directly in response to local marketing or word of mouth.

Centrelink delivers the JET programme on behalf of the Department of Family and Community Services. JET Advisers may draw Transition to Work (TTW) to the attention of interested JET participants.
