LEGISLATION COMMITTEE**

**2004-2005 BUDGET SENATE ESTIMATES HEARING
31 MAY AND 1 JUNE 2004**

EMPLOYMENT AND WORKPLACE RELATIONS PORTFOLIO

QUESTIONS ON NOTICE

Outcome 2: Higher productivity, higher pay workplace

Output Group 2.2: Workplace relations implementation

Outputs 2.2.5: Employee entitlements safety net schemes

Question Number: W089-05

Question:

Senator Wong asked at *Hansard* page 54/55/58:

For those employees who would have been entitled to a greater payment (under GEERS) if there was no cap, can you provide information on the total amounts by state? That is, employers whose employees received entitlements under the scheme and by state.

In relation to GEERS:

- What the non-payment amount was—how much work is owed over and above the scheme caps?
- In relation to the payees—
 - the employers and the states in which those employers were?
 - in relation to which payments under GEERS were made?

Please provide for the period 1 July to 31 December 2003 and period 1 July year to date.

For Info: refer to question W11 (Senate Estimates February 2002) and QoN 503 (House, August 2002) requested by Senator Sherry.

Answer:

The department is unable to provide information on uncapped amounts by employer or by State.

The department is able to provide the total uncapped amounts for both 1 July 2003 to 31 December 2003 and period 1 July year to 31 May 2004.

GEERS Unmet Entitlements 1 July 2003 - 31 December 2003

Uncapped Amount	Capped Amount	Unmet Entitlements (difference)
\$38,724,750.30	\$32,229,522.75	\$6,495,227.25

GEERS Unmet Entitlements 1 July 2003 - 31 May 2004

Uncapped Amount	Capped Amount	Unmet Entitlements (difference)
\$63,301,585.74	\$52,069,182.48	\$11,232,403.26

The information requested on employers paid by State for the financial year to date (1 July 2003 to 31 May 2004) consistent with that provided in August 2002 in response to Question on Notice 503 is set out in the attached document.
