**SENATE LEGISLATION COMMITTEE - QUESTIONS ON NOTICE  
2005-2006 BUDGET ESTIMATES HEARING**

**DEST Question No. E253\_06**

Senator Carr provided in writing.

**Question:**

Is the Minister aware of these incidents? Has he directed you to take any action?

**Answer:**

*Ministerial Action*

*ANSTO has provided the following response:*

As discussed in the answer to question 251\_06, there was no "incident". Changes to licence conditions are not unusual occurrences, and normally – as in this case – have no implications for safety. As such, there was no reason to notify the Minister.
