DEST Question No. E067_07

Senator Wong asked on 1 June 2006, EWRE Hansard page 39

Question:

[Senator Wong was interested in risk management and the Workplace Productivity Program].

I am interested in whether there is documentation or a view about how that might apply to this program.

Answer:

Workplace Productivity Program

The Workplace Productivity Programme has a risk assessment plan in place in accordance with DEST policy. Also, the programme guidelines were subject to clearance by the Procurement, Assurance and Legal Group and the Audit and Investigations Group within the Department, ensuring a broad range of risk management expertise was applied to the program's design.
