**Outcome:** 1

**Output Group:** 1.1 – Funding for Schools

**DEST Question No. E285\_07**

Senator Wong asked on 1 June 2006, EWRE Hansard page 75.

*Refers to DEST Question No E298\_07 & E300\_07*

**Question:**

1. In the context of your discussions and negotiations with the various proponents, I assume they must have a sense of the totality of what this is going to cost?
2. In respect of those where a funding agreement has been reached, are you able to provide the information requested, which I accept is an estimate?
3. Does that include an estimate which I assume you verify or check off from state government funding?
4. I am interested in both sets. You may have a different view in respect of either set, but that is what I am asking you to take on notice.

**Answer:**

*Estimates of Commonwealth and state recurrent funding.*

For Commonwealth recurrent funding please see answer to E298\_07.

For State recurrent funding please see answer to E300\_07.
