Senator Wong provided in writing.

Refers to DEST Question No E078_06.

Question:

Flagpoles. Please update E078_06. For each electorate, please provide which schools have applied for flagpole funding and which schools have received funding from the Government.

Answer:

Flagpoles

Under the Flagpole Funding Initiative up to \$1500 per school is available to any school which does not already have a functioning flagpole and meets all eligibility criteria.

The initiative reimburses schools for the cost of their flagpole and has been available since 2004 for all schools to access. Schools may also seek funding from state governments or their own local communities.

Further to answer E078_06, please find attached a list of schools approved for flagpole funding.
