SENATE LEGISLATION COMMITTEE - QUESTIONS ON NOTICE
2006-2007 BUDGET ESTIMATES HEARING

Outcome: CSIRO

Output Group: CSIRO

DEST Question No. E441_07

Senator Wong provided in writing.

Question:

31 May 2006, EWRE, p.7:

Senator WONG—*I am a little confused about one thing. Since the 2004-05 PBS, estimates of revenue from the goods and services line item have declined by over \$260 million over the three-year period of 2005-06, 2006-07, 2007-08. I note that in the PBS, I think, in 2004-05, you did not separately itemise royalties.*

Mr Whelan—*I do not have the 2004-05 figures in front of me. But I think, as we have discussed previously, probably the major factor in 2004-05 was that we withdrew from the forward estimates any revenue associated with joint ventures because we were not able to bring those to account as CSIRO revenue. But that is not a factor in any change as far as 2005-06 estimates are concerned.*

What other sources of difference are there?

Answer:

CSIRO has provided the following response.

See response to E439_07.
