Question Number: W187-07

Question:

Senator Marshall asked at *Hansard* (29 May 2006) page 84:

Can the OEA please advise why has the figure of 20 employees come up?

Answer:

When lodging a variation to an employer greenfields agreement it had previously lodged, the employer advised that the variation agreement covered 20 employees. The Workplace Agreements Online system asks for this information when a variation is lodged.
