SENATE LEGISLATION COMMITTEE - QUESTIONS ON NOTICE 2007-2008 BUDGET ESTIMATES HEARING

Outcome 1 – Funding for Schools

DEST Question No. E008_08

Senator Carr asked on 31 May 2007, EWRE Hansard page 25.

“Refers to DEST Question No E991_07”

Question:

Senator CARR—Is there a chance I can get a full list of the funding agreements—the amounts for each of these colleges?

Mr Johnson—In response to question 991 we have provided the committee with an outline of the funding agreements for each of the colleges.

Senator CARR—Do you need to update that?

Mr Johnson—That was provided as at February. We could certainly update that information for the committee.

Ms Paul—We will update that for you.

Senator CARR—Will that tell me the number of projected enrolments for each of these colleges?

Answer:

Australian Technical Colleges

The attached table identifies for each Australian Technical College open in 2007:

- the location of campuses open in 2007
- the actual enrolment numbers for 2007 as at the census on 31 March 2007.
- the target student enrolment numbers for 2007
- the amount allocated to that College in its Funding Agreement with DEST.
