Question Number: W145-08

Question:

Senator Crossin asked at *Hansard* page 55:

How many Job Network providers have actually serviced remote areas for each of the last two financial years? And what level of funding has each received?

Answer:

| Year | No of Job Network member's servicing remote areas |
|-------------|--|
| 2005/6 | 13 |
| 2006/7 | 13 |

Payments to contracted employment service providers are not all attributed to individual sites, for example Job Network member quarterly services fees which are calculated and paid at the organisational level and not in respect of individual sites locations, remote or non remote. Accordingly, it is not possible to categorise funding to these organisations in this way.

Estimated cost: Using the FOI calculator, to prepare this answer it has taken approximately 1 hour at an estimated cost of \$20.
