Question:

Senator Crossin asked at *Hansard* page 55:

How much funding has Mission Australia received for remote area servicing in 2005-06 and 2006-07 financial years?

Answer:

Payments to contracted employment service providers are not all attributed to individual sites, for example Job Network member quarterly services fees which are calculated and paid at the organisational level and not in respect of individual sites locations, remote or non remote. Accordingly, it is not possible to categorise funding to this organisation in this way.

Estimated cost: Using the FOI calculator, to prepare this answer it has taken approximately 1 hour at an estimated cost of \$20.
