**SENATE LEGISLATION COMMITTEE - QUESTIONS ON NOTICE
2008-09 BUDGET ESTIMATES HEARING**

Outcome **4**

DEEWR Question No. EW26_09

Senator Mason asked on 5 June 2008, provided in writing.

Question

Productivity Places Program

Can the Department confirm whether any providers actually tendered to offer Certificate II or Certificate III qualifications in any drilling Courses?

Answer

Yes, a number of providers tendered to offer drilling courses at a Certificate II and Certificate III level.

At this time one Registered Training Organisation, Australian Drilling Industry Training Committee Ltd, has been approved to offer a number of drilling qualifications. These include:

- Certificate III in Drilling – Environmental
- Certificate III in Drilling - Foundation/Construction
- Certificate III in Drilling – Geotechnical
- Certificate III in Drilling - Trenchless Technology
- Certificate III in Drilling - Mineral Production and Development
- Certificate III in Drilling - Blast Hole
- Certificate III in Drilling - Water Well
- Certificate III in Drilling - Mineral Exploration
- Certificate III in Drilling - Seismic
