Question

Productivity Places Program

What information will the Department be able to access through the PIMS system, to undertake desktop monitoring of this programme?

Answer

The PIMS system gives the department access to information relating to the administration and delivery of training. This includes: information regarding eligible qualifications being delivered; modes of delivery, including all recognition of prior learning and credit transfer; assessments of participants; student cancellations; non commencements; and completion and withdrawal rates for program participants at each approved organisation.
