Question

Co-ordination of Ministerial Briefs and advice from the Department

Can the Department provide a list of electorates that Departmental staff have visited with the Minister, the Minister's staff members or a representative of the Minister since 1 December 2008? In the same document and placed against the respective electorate can the Department include a list of dates when these visits occurred?

Answer

The requested information is not readily available and it would involve an unreasonable diversion of the department's resources to ascertain such information.
