**Outcome**            **WORKPLACE AUTHORITY**

**Question No.** EW610\_09 and EW611\_09

Senator Wortley asked on 3 June 2008, EEWL Hansard page 16:

**Question**

**EW610\_09**    Were the participants of the program provided with government approved material to use as part of it?

**EW611\_09**    What was the cost to the Commonwealth in developing this material?

**Answer**

The Workplace Authority has provided the following response:

Where relevant to their target audiences and to supplement their own education products, providers under the Employer Advisor Programme were requested to download Government produced education material for use in their education activities from [www.workplace.gov.au](http://www.workplace.gov.au)

Costs for developing these products are not directly related to the EAP. There was no cost to the Workplace Authority in developing the material.
