

EDUCATION, EMPLOYMENT AND WORKPLACE RELATIONS
SENATE LEGISLATION COMMITTEE - QUESTIONS ON NOTICE
2008-09 BUDGET ESTIMATES HEARING

Outcome 2

DEEWR Question No. EW683_09

Senator Mason asked on Wednesday, 4 June 2008, E EWR Hansard page 89.

Question

Country Areas Programme

Senator Mason requested the amount of funding that each school received in the 2007-2008 financial year under the Country Areas Programme (CAP).

Answer

The CAP is administered and paid on a calendar year basis. CAP funding information for 2007 is attached in the following Excel Spreadsheet.

Please note that where schools are involved in cluster and state-wide CAP projects, these details have been omitted (as identification of payments to specific schools in these cases, is not possible).

Data Context

The Data contained in these worksheets is in response to the Question on Notice from Senator Mason on 4 June 2008 (EEWR Hansard, page 89) - Ref DEEWR Question No. EW683_09

Notes to Data:

1. Data is current as at 30 June 2008.
2. Project data on 'cluster projects' (involving a number of schools) and 'state-wide' projects has been omitted as individual school contributions cannot be identified.
3. Individual school projects have been aggregated to reflect funds attributed to specific schools.
