Outcome 1

DEEWR Question No. EW700_09

Senator Fisher asked on 4 June 2008, EEWWR Hansard page 121.

Question

Child Care Tax Rebate

Have you done any modeling in respect of increased participation due to CCTR changes on the basis of income bands?

Answer

The Department of Education, Employment and Workplace Relations and the Department of Treasury developed cameos on the increased financial reward from employment after changes to child care assistance.

The document entitled *Working Families Support Package*, released as part of the 2008-09 Federal Budget on 13 May 2008 has cameos developed by the Department of Treasury which involve families using child care. In particular, please refer to cameos on pages 26, 27 and 29.

There are also additional cameos in the *2008-09 Budget Overview* in Appendix D on page 37.

The Department's cameos are included in the response to the Department's Question on Notice EW698(a)_09.
