Funding for the 200 teachers is made available to Northern Territory education providers for 50 additional teachers each calendar year. These providers are responsible for the recruitment and deployment of the teachers employed through this measure.

The first 19 teachers (employed by NT DEET) will be deployed to begin teaching in Term 3. The table below identifies the schools for this first group. The second recruitment campaign to identify and secure the remaining teachers will commence in July 2008. The recruitment of teachers for 2009 will run concurrently with this campaign.
