Senator Payne asked on 3 June 2009, EEWL Hansard page 24.

Question

Early Years Learning Framework

Can you advise how staff in those centres were trained in relation to the trial or how they were advised on the framework? What was that process?

Answer

Early childhood educators in the trial sites were supported by a representative from the Charles Stuart University Consortium who acted as a mentor for the trial period and had access to the draft Early Years Learning Framework and the draft Educators' Guide.
