Trade Training Centres in Schools

In relation to the 26 Round One (Phase One) Trade Training Centres in Schools Program agreements that have been executed, are any of those schools meant to have commenced building but have not?

Answer

Yes. Of the 26 Round One (Phase One) agreements that have been executed, 5 schools have not commenced construction in accordance with the milestones in their agreements. The Department is working closely with these schools to ensure the capital works completion and Trade Training Centre commencement dates are not affected.
