Dear Dr Batge

I refer to Questions on Notice from the 2010-11 Budget Estimates. The Department provided an answer to the Committee (EW0074_11) which was subsequently forwarded to Senator Mason and tabled.

The response included details of the Commonwealth funding levels of non-government schools across Australia and listed schools as being located in particular electorates. Schools are attributed to electorates by virtue of a process of geocoding ie checking a latitude and longitude measurement against electoral boundary maps.

Subsequently, the Department has found that seven schools listed in the answer to EW0074_11 were listed with incorrect electorates. I have attached an amended answer to reflect the correct electorates. The table below details the changes made to the attachments.

Attachment	School Number	School Name	Corrected Electorate	Electorate changed from:
A – Independents	13867	Kalamunda Christian School	Pearce	Hasluck
A – Independents	17513	DOXA School West Melbourne	Wills	Melbourne
A – Independents	17690	Peregian Beach Community College	Wide Bay	Fairfax
A – Independents	17943	Agnew School	Bonner	Griffith
A – Independents	23672	International School of Western Australia	Curtin	Stirling
B - Catholics	1029	St James' Parish Primary School	Goldstein	Melbourne Ports
B - Catholics	26010	St Benedict's School	Petrie	Longman

Additionally, the following two schools have been deleted from Attachment B as both schools closed before the updated 2010 electorates were applied:

- Holy Name School, Carlisle, Western Australia, 6101 (School Number: 87)
- Notre Dame School, Cloverdale, Western Australia, 6105 (School Number: 110)

Yours sincerely
