***DEEWR ICT contracting expenditure***

Senator CASH—..... In terms of the total expenditure on IT subcontracting over the last 12-month period, or basically since the last estimates, do you have that figure with you? Mr Archer—I do not have it with me but again we previously obtained that number for you and we can certainly take it again.

**Answer**

The total expenditure on IT contracting for the last twelve month period is \$57 million (June 2009 to May 2010).
