DEEWR Question No.EW0384_11

Senator Mason asked on 3/06/2010, Hansard page 67.

Question

COMPUTERS IN SCHOOLS - DELIVERED AND INSTALLED BY STATE

Senator MASON—As at a couple of days ago? Can you give me a breakdown of how many computers have been delivered and installed in government schools and non-government schools, both overall, nationally and by state?
Ms Bloor—Yes. Also on page 68:
Dr Arthur—It will take considerable time if we want to read it out with the breakdown between rounds.
Senator MASON—Just globally is fine. Can you take it all on notice—give me all the information—but just give me the global figures as well?

Answer

The answer is provided in the tables attached.
