Senate Standing Committee on Education Employment and Workplace Relations

QUESTIONS ON NOTICE Budget Estimates 2011-2012

Outcome 4 - Employment & Participation Policy

DEEWR Question No.EW0343_12

Senator Abetz asked on 31/05/2011, Hansard page 41.

Question

Job Services Australia - Relocation Pilot, Break-Up Of Relocations And Job Type.

Senator ABETZ: It is not just Queensland per se but the defined flood-affected areas. Given it is a relatively low number, the 52, are you able to provide us with a breakup as to, let's say, what townships they have moved to, just out of interest? Take that on notice. Ms Paul: We might take that on notice. Senator ABETZ: Yes, otherwise we will be here all day, finding out all those towns, but that may be interesting. Are you able to also advise as to the type of job in that breakdown? Ms Paul: We will see if we can find it; we may or we may not.

Answer

Moving to a new place is a major decision and understandably individuals will take some time to consider their options before applying to be involved in Connecting People with Jobs. Job Services Australia providers are also required to carefully screen interested job seekers, to assess the appropriateness of the relocation and to ensure job seekers make informed decisions.

Under Connecting People with Jobs, 52 job seekers in total have relocated. The Townships and types of jobs to which the 52 job seekers have relocated are listed in the following table:
