DEEWR Question No. EW0480_12

Senator Nash asked on 2/06/2011, Hansard page 77.

Question

TTC Students

Senator NASH: How many students across those 89 completed centres are actually taking a course? ...Senator NASH: Can I just ask you, then, because obviously that will be some time prior to next estimates, if you wouldn't mind taking on notice when you have that data, actually providing it as a response to a question on notice? Ms Woodgate: Absolutely.

Answer

Student numbers cannot be provided at this point in time as the Department is still in the process of collecting data from operational Trade Training Centres. The Department undertakes to provide the information when available.
