Outcome 3 – Employment

DEEWR Question No. EW0110_13

Senator Boyce provided in writing.

Question

ESS job placement and outcomes by primary disability

Can you provide ESS job placement, 13 week outcome, 26 week outcome figures by primary disability (including moderate intellectual disability) for each employment service area, each labour market region, and for the national program.

Answer

National Job Placement, 13 week outcome and 26 week outcome data is available and updated monthly on the DEEWR website – Labour Market Information Portal (www.deewr.gov.au/lmip).

While DEEWR continues to work through issues of volatility with disaggregated data, the Star Ratings are the best measure for information on the relative performances of providers.
