DEST Question No. E332_04

Senator Carr asked on 5 November 2003, EWRE Hansard page 4

Question:

Senator Carr – "...What is the final cost of the establishment of the PROMISE system?
Mr Kriz - "You probably mean the replacement for the PROMISE system"...."The new system is called BUYiT...."
Senator Carr ..."How much has it cost so far?"

Answer:

The total cost of BUYiT development

The total cost of BUYiT development to 6 November 2003 is approximately \$750,000. This figure includes an assessment of the staff costs for the business area and the IT development area, hardware and software costs and invoices paid to date for IT programmers.
