Senator Carr asked on 5 November 2003, EWRE Hansard page 13.

Question:

We can give you a schedule of the reports. Can I have copies of his reports?

Answer:

Reports prepared by Mr Spring

Mr Spring's contract requires him to provide the Department with only one report. It will deal with options for the Australian Government in taking a leadership role to position Australian education, training and related businesses to gain the best possible advantage in using emerging technologies. This report will be completed in 2004.
