DEST Question No. E401_04

Senator Carr asked on 6 November 2003:

Question:

Does waste generated by SILEX research remain the responsibility of that company, or does it go into a general waste stockpile? Is a separate inventory of waste generated by SILEX maintained?

Answer:

ANSTO has provided the following response:

All waste produced by SILEX remains the responsibility of SILEX. ANSTO does not receive or treat SILEX waste. All waste produced by SILEX is stored within their facility and a waste inventory kept.
