Notes:

The entitlement amount for systemic schools is the amount that the school attracts to the system and may be different from the final amount allocated to the school by the system office.

The enrolments and final entitlements included in this response are correct as at the completion of each calendar year and may not include retrospective ad-hoc payments or enrolment variations made at a later date.

Notes:

The entitlement amount for systemic schools is the amount that the school attracts to the system and may be different from the final amount allocated to the school by the system office.

The enrolments and final entitlements included in this response are correct as at the completion of each calendar year and may not include retrospective ad-hoc payments or enrolment variations made at a later date.

Notes:

The entitlement amount for systemic schools is the amount that the school attracts to the system and may be different from the final amount allocated to the school by the system office.

The enrolments and final entitlements included in this response are correct as at the completion of each calendar year and may not include retrospective ad-hoc payments or enrolment variations made at a later date.

Notes:

The entitlement amount for systemic schools is the amount that the school attracts to the system and may be different from the final amount allocated to the school by the system office.

The enrolments and final entitlements included in this response are correct as at the completion of each calendar year and may not include retrospective ad-hoc payments or enrolment variations made at a later date.

Notes:

The entitlement amount for systemic schools is the amount that the school attracts to the system and may be different from the final amount allocated to the school by the system office.

The enrolments and final entitlements included in this response are correct as at the completion of each calendar year and may not include retrospective ad-hoc payments or enrolment variations made at a later date.
