DEST Question No. E329_05

Senator Crossin provided in writing.

Question:

Who is managing the setting up of these colleges – accepting tenders, making decisions on successful tenderers, supervising the setting up of the actual colleges, recruiting initial staff etc?

Answer:

Technical Colleges

DEST will manage the tender process. The setup of colleges will be the responsibility of the successful tenderers, monitored by DEST. Each College will have a governing body, chaired by a representative of local business or industry, which will appoint the College principal who will be responsible for the recruitment of the initial staff.
