[Salutation]

I am pleased to advise you that funding of Australian Government grants under the *Investing in Our Schools Programme* (IOSP) for state schools in [Area] has been approved. Details of the successful schools are attached.

The Australian Government recognises the importance of providing schools with facilities that will enhance the education and wellbeing of students. The IOSP builds on the \$1.5 billion already allocated by the Australian Government for school capital works over the next quadrennium. Over the 2005-2008 funding period, the IOSP will provide an additional \$700 million in capital funding to state schools. In [Schedule Year], as part of its total capital funding for state schools, the Australian Government will provide [State Allocation] million to [Client State] under the IOSP.

I am sure you agree that the IOSP is an exciting programme that will play a significant part in improving educational opportunities for young Australians.

Yours sincerely

BRENDAN NELSON  
Encl.
