Outcome: 1

Output Group: 1.1 – Funding for Schools

DEST Question No. E615_06

Question:

Please provide:

A full list of unsuccessful non-government schools by electorate including:

- How much they applied to get
- Whether they were Round 1 or Round 2 applications

Answer:

Unsuccessful non-government schools

The application and assessment processes for non-government school grants are conducted separately by each of the Block Grant Authorities. Those processes are not submission based and DEST receives the schedule of recommended projects.

The Block Grant Authorities received applications from non-government schools over the course of the year. There were not two discrete rounds for non-government schools.
