Please indicate the amount of appropriation funding that was required for transfer from the normal budget to the Flagships as a condition of this funding?

Please provide a table showing how this figure will be achieved on an annual basis for those years.

What were the external funding or co-investment requirements to ensure that funding continued beyond 2006/2007?

Answer:

CSIRO has provided the following response.

Flagship funding conditions

The Government did not indicate any specific requirements for CSIRO to transfer appropriation to the Flagships, or to achieve specific external funding or co-investment to ensure that the funding continued beyond 2006/2007. The Government did agree that funding would be provided beyond 2007/08 subject to review in the context of CSIRO's triennium funding for 2007-08 to 2009-10.
