2005-2006 SUPPLEMENTARY ESTIMATES HEARING**

Outcome: CSIRO
Output Group: CSIRO

DEST Question No. E756_06

Senator Wong provided in writing.

Question:

What did CSIRO mean when they said that there had been an internal launch?
Who actually had access to the new website on 1 June?
And how many staff have access today?

Answer:

CSIRO has provided the following response.

Website

The new CSIRO website was launched internally to CSIRO staff to give them the opportunity to access the site and provide feedback on areas such as content and navigation.

On 1 June, an email was sent to Communication Managers and the Executive Management Council providing details (including a link) of the internal web address. An "all staff" communication was sent in CSIRO's weekly internal newsletter, *Monday Mail*, on 6 June 2005 further promoting the new internal web address.

All CSIRO staff have access to the new site through the CSIRO intranet.
