

DEST Question No. E778_06 - d) Overseas student enrolments by Commencing/Continuing status, 1995 -2004 (a)

Overseas students enrolments

Commencing/Continuing	Commencing	Continuing	Total
1995	23,271	22,916	46,187
2001	81,171	76,037	157,208

(a) Data for 2001 onwards were compiled in a different way to the prior years. Details are as follows:

----- New Scope 2001-2004: Includes full year enrolments, and uses the ASCED international standard for Field of Education.

----- Old Scope 1995-2000: Includes only those students enrolled as at 31 March in the given year, and uses the old Field of Study classification.

Data have been provided for the years 1995 and 2001 as it has been significantly revised since publication.

Data for other years are available in the publication

Students: Selected Higher Education Statistics

for that year. The relevant tables are:

Year	Table
1996	67
1997	62
1998	91
1999	88
2000	73
2002	56
2003	53
2004	53
